### TECHNICAL DATA:

Packaging:	Plastic pail containing 72 cloths / 6 pails per box
Shelf life:	24 months at normal room temperature
VOC	< 70 g/L

### PREPARATION:

#### Caution

For external use only. Avoid contact with eyes. Protect containers from sources of strong heat. Keep out of reach of children.

#### Application

Open cap on PALLMANN® CLEAN-BOX, pull out wipe to expose perforations and tear off. Clean by dabbing, allowing cleaner to work on the residues or stain, then wipe or rub until fully removed. If necessary, repeat procedure. Keep cap closed when not using to prevent evaporation. Fully cured adhesive will need to be removed by mechanical means.

### PROTECTION OF THE WORKPLACE AND THE ENVIRONMENT:

Take appropriate safety and health protection measures according to the work environment and all applicable regulations and laws. Keep the product out of reach of children. For more information, visit [us.pallmann.net](http://us.pallmann.net).

### DISPOSAL:

Dispose of the product and packaging according to all federal, state, and local applicable regulations. Avoid or minimize waste generation when possible. Empty packaging is recyclable.
