

Bona Green Ceramic Abrasives

The Bona Abrasives line provides the most aggressive and longest lasting abrasive in the industry, without sacrificing smoothness to achieve the best surface for staining or finishing. Bona Green Ceramic Abrasives are comprised of a combination of ceramic and aluminum oxide grit materials, making them extremely aggressive, offering outstanding productivity.

Extremely Aggressive

- Cuts 30% faster than any other competitive ceramic abrasive

Outstanding Productivity

- Lasts up to 50% longer than any other competitive ceramic abrasive
