TECHNICAL DATA:

Packaging:	Plastic pail containing 72 wipes / 6 pails per box
Shelf life:	24 months at typical room temperature
VOC	< 70 g/L

APPLICATION:

Suitable for the removal of adhesive residues from hardwood, glazed tile, rubber or PVC floor coverings. Especially effective on fresh residues of PU and epoxy-based adhesives. PALLMANN cleaning wipes are also effective for cleaning hands, tools and machinery. Dissolves stains left by grease, oil, tar, graphite, wax, ink, etc.

- ▶ Open cap on PALLMANN® CLEAN BOX, pull out wipe to expose perforations and tear off.
- ▶ Clean by dabbing, allowing cleaner to work on the residues or stain, then wipe or rub until fully removed.
- ▶ If necessary, repeat procedure.
- ▶ Keep cap closed when not using to prevent evaporation.
- ▶ Fully cured adhesive will need to be removed by mechanical means.

CAUTION

For external use only. Avoid contact with eyes. Protect containers from sources of strong heat. Keep out of reach of children.

PROTECTION OF THE WORKPLACE AND THE ENVIRONMENT:

Take appropriate safety and health protection measures according to the work environment and all applicable regulations and laws. Keep the product out of reach of children. For more information, visit us.pallmann.net.
